

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with Michael Cartona (61,960) on 20 October 2009.
3. The application has been amended as follows:
Claims 6-16 were cancelled.

Allowable Subject Matter

4. **Claims 17-21** are allowed.
5. The following is an examiner's statement of reasons for allowance: The prior art does not teach or fairly suggest the subject matter of Claim 17 as a whole, especially the claimed support base and support device used in combination with the steps of positioning a FRP prepreg on an airtight internal-pressure holding tube, inserting a composite body including the internal-pressure holding tube and the prepreg into a vacuum chamber, and evacuating the vacuum chamber in an isolation state without contact between the composite body and the forming die.
6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
